Appl. No. : 10/670,936  
Filed : September 25, 2003

***U.S. Patent No. 4,346,899 to Nuebling in view of U.S. Patent No. 4,903,969 to Williams***

The Examiner rejects Claims 12-15, 21, and 22 under 35 U.S.C. § 103(a) as being unpatentable over U.S. Patent No. 4,346,899 to Nuebling in view of U.S. Patent No. 4,903,969 to Williams. Applicant has canceled those claims without prejudice or disclaimer; accordingly, Applicant respectfully requests the Examiner to withdraw the rejection of those claims.

Allowable Subject Matter

The Examiner objects to Claims 6-8 as being dependent upon a rejected base claim, but indicates that Claims 6-8 would be allowable if rewritten in an independent form including all of the limitations of the base claim and any intervening claim. In response, Applicant has amended Claims 6 and 7. Claim 6 has been amended and rewritten to include the limitations of the base claim and the intervening claims; namely, Claims 1, 4, and 5. Claim 7 has been amended and rewritten to include the limitations of the base claim and the intervening claims; namely, Claims 1 and 4. With respect to Claim 8, Applicant submits that an amendment of that claim is not necessary because Claim 8 depends on Claim 7. As a result of the amendment to Claim 7, Claim 8 should now depend on an allowable claim. Therefore, based on the amendments to Claims 6 and 7, Claims 6-8 are in condition for allowance. Accordingly, Applicant respectfully requests the Examiner to withdraw the objection to those claims.

New Claims

Applicant has added new Claims 23-29. Applicant submits that none of the cited references discloses, teaches, or suggests the novel combination of features recited in those new claims. In addition, Claims 23-25 are dependent on Claim 6 and thus, each of those claims incorporates the limitations of amended Claim 6, which, as discussed above, are allowable over the cited references. Claims 26-29 are dependent on Claim 7 and thus, each of those claims incorporate the limitations of amended Claim 7, which as discussed above, are allowable over the cited references. Accordingly, Applicant respectfully submits that Claims 23-29 are in condition for allowance.
